

2010 - 2011 Kentucky Division of Waste Management/Alcoa/SERDC APPLICATION FOR FREE RECYCLING BINS

The Kentucky Division of Waste Management, in conjunction with **Alcoa** and **SERDC** is pleased to announce the opportunity for cities, counties, solid waste management districts, public K-12, colleges and universities and other political subdivisions of the state to apply for FREE recycling bins.

Alcoa, a world leader in the production of aluminum and recycling and **SERDC** (Southeast Recycling Development Council) are partnering together to provide over 1,000 recycling bins to the state of Kentucky. SERDC's mission is to develop and promote sustainable recycling programs by uniting industry, government and non-government organizations. SERDC is comprised of eleven states (Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North and South Carolina, Tennessee and Virginia) and you can learn more about the organization at <http://serdc.org/>.

There are two types of bins; the first is a plastic 22 gallon capacity (blue or green) curbside container type. The second type (lime green) is a plasticized corrugated bin with a three hole top for aluminum can disposal. See pictures below.

The number of bins awarded to any applicant is dependent on several factors:

- number of applicants
- number of bins requested per applicant
- stated use of bins in conjunction with an ongoing program
- stated use of bins for a beginning recycling program

All grant applications must be submitted via e-mail to the Recycling Assistance Staff or fax to 502-564-4049 not later than 4:30 EST, Monday, May 3, 2010.

Ricky.Solomon@ky.gov; Thomas.Heil@ky.gov; Catherine.Guess@ky.gov; ShannonL.Powers@ky.gov

Recycling Assistance Staff can be reached at 502-564-6716

Grant recipients will be notified by Wed., June 30, 2010 and agree to pick up the bins in Frankfort or at a regional location to be announced at a later time.

All recipients are required to affix the provided SERDC logo to the bin; the SERDC logo cannot obscure any part of the Alcoa logo.
